

# **FREE SHRED DAY**

**05/13/2017**

**9:00 am to 11:00 am**

**216 S 9<sup>th</sup> Street**

Each year individuals and households accumulate many personal financial and health documents which require secure disposal to prevent Identity Theft.

City of Osage City is having a **FREE** Shred Day to dispose of the general public's *personal* documents and files at **NO CHARGE**.

Please help us get the word out to your employees, family and friends so that they can bring their personal documents and records to our facility at Osage City Street & Sanitation Department, to be gathered for destruction and recycling of the destroyed remains.

Don't worry about removing staples or paper clips, or burning up your personal shredder. Professional shredding equipment will take care of them. **For compliance reasons, only personal and household materials will be accepted at no charge on the day of the event. Limit of three boxes or bags per household, please.**

This is our way of saying thank you for the many years of community support we have received. Call us at City Hall 785-528-3714 with any questions.
